

# **Vision Statement:**

- 1. To make kids passionate about God!**
- 2. To help students develop their God-given gifts and learn how to use them for the LORD!**

**We genuinely believe in our next generation! We love to encourage students to learn and grow closer to God! We also love to allow students to develop the gifts that they already have inside of them! Each child is amazing, and wonderfully made. We want to come alongside our families and help their children grow into who God is calling them to be!**

**“How you made me is amazing and wonderful.**

**I praise you for that.**

**What you have done is wonderful.**

**I know that very well.”**
