

SAFETY

Keeping our students safe is a top priority!

VOLUNTEERS:

All volunteers **MUST** go through the Pennsylvania background check before working with our students.

FIRST AID:

Our church has first aid kits, defibrillators, and CPR-certified volunteers and staff.

SNACKS:

On Wednesday nights, we pass out a prepackaged snack. We are mindful of our students with food allergies when giving out snacks. (Please notify us if your child has any allergies.)

SECURITY

CHECK-IN/ CHECK-OUT:

Each student must get checked in at our check-in desk. Both the child and parent/guardian will receive a sticker. You **MUST** bring your sticker after service to check out your child.

We also have a security team monitoring the building during services.
